## FLEETS OF AUTOS SWARMING TO THE WELSH-WHITE FIGHT

(By Associated Press.)  
COLORADO SPRINGS, August 30.—"No matter what comes of the railway situation, the Welsh-White lightweight championship battle will be fought on Monday afternoon, September 4, as originally scheduled."

This statement was made today by Edward Pitts, who is managing the contest, after a number of conferences with the rival boxers.

This statement brought out the fact that never in the history of big fights in this country will so many automobiles pour into this city as are expected from all points within a radius of 200 miles. Denver, Pueblo and Cheyenne are the largest centers, while scores of towns with populations of 3000 to 10,000 persons will swell the quota. The sporting fraternity anticipated any trouble by organizing automobile parties. They have paid cash for their tickets and are coming. The principal streets of the city already are crowded with machines, their occupants availing of the opportunity to visit the many scenic attractions of the vicinity.

Both Welsh and White went through their usual training routine during the afternoon before good crowds. Many women are regular attendants and appear to take as much interest in the fighters as the men.

## CHICAGO FREIGHT HANDLERS STRIKE CAUSES A BLOCKADE

(By Associated Press.)  
CHICAGO, August 30.—Chicago, the greatest railway center in the world, fought in the face of local difficulties today to transfer thousands of cars of freight in time for the cars to reach their destinations before Sept. 2, the date declared by many western railroads for an embargo on perishable freight.

A strike of freight handlers in the local yards of several railroads, which threatened to become general within 24 hours, just at the time railway officials were swamped with transfer traffic, sped up because of the threatened trainmen's strike.

The railway lines entering Chicago have been preparing, however, to handle an enormous amount of freight east and west within the next week.

BERLIN, August 30.—Germans in the region of the Somme repulsed strong British attacks from Ovillers to Pozieres and between Guillemont and Maurepas. British detachments which penetrated German positions north of Ovillers were defeated in hand to hand fighting.

(By Associated Press.)  
PARIS, August 30.—The French have launched another attack east of Flers. At Verdun they progressed further.

(By Associated Press.)  
LONDON, August 30.—An Athens dispatch states that Rumania has decided to present an ultimatum to Bulgaria demanding evacuation of Serbian territory.

## Brotherhoods Opposed to President's Plans, and Also Canadian Arbitration Act

(By Associated Press.)

WASHINGTON, August 30.—President Wilson had a conference in Speaker Clark's room at the capitol last night. Besides the president and the speaker, the conferees included Republican Leader Mann, Democratic Leader Kitchin, Representative Sterling of Illinois, the ranking Republican of the House interstate commerce committee, and Representative Adamson. No definite conclusions were reached.

President Wilson expressed his earnest hope that the brotherhoods would yield to his official request that, pending action by Congress, they rescind their strike order. He asked the leaders to do so at their conference, but they declined, saying they had not the power. President Wilson takes the position that in view of his recommendations to Congress the brotherhoods have nothing to gain and much to lose if they carry out their strike, because he believes under such circumstances public opinion will stand against them.

The president intends to use all his influence to hasten action in Congress, but should there be delay he intends to appeal to the patriotism of the leaders and their duty to the public not to persist in calling the strike at this time.

## ALBANIA JOINS THE COMBATANTS

(By Associated Press.)

## SCORES KILLED IN DRESDEN RIOT

(By Associated Press.)

LONDON, August 30.—The Hague correspondent of the Central News has a report that 85 civilians, 22 soldiers and four policemen were killed in riots in Dresden last week. The disorders are said to have been brought on by a demonstration against the imposition of an increased sentence on Dr. Karl Lebknecht for appealing from the findings of a military court. The crowds were dispersed by troops after 200 persons had been arrested.

## AMUSEMENTS

## BUTLER THEATER

Two large and appreciative audiences witnessed a splendid program at the Butler last evening and from the general look of satisfaction noted throughout the theater, enjoyed the evening to the utmost, and many a good laugh was indulged in when the local pictures were flashed on the screen, especially when the pictures of the little tots appeared with every conceivable expression on their faces. Tonight, Kitty Gordon, in private life Lady H. H. Beresford, wife of the titled Englishman of that name, who has been one of the prominent and dominant figures of the English and American stage for years past, will be seen in the World production, "Her Maternal Right," which was written especially for her by Willard Mack, author of "Kick in" and other legitimate successes. In addition to this feature, Napoleon and Sally, the educated chimps, and the only motion picture chimps in the world, will be seen in an animal comedy. Tomorrow, beautiful Virginia Pearson in "Hypocrisy," and Pathe Weekly, Saturday, Charlie Chaplin.
